## DEPARTMENTAL DUTY ASSIGNMENTS

In an effort to provide for a more professional police department and to increase the quality of service to the public, we have assigned all full time patrol officers and the detective additional duties. All officers continue to participate in patrol, response to emergency calls, response to calls for service, traffic enforcement, accident investigation, and criminal investigation during their assigned shifts. Two Sergeants serve as patrol shift supervisors on middle and night shifts and as critical incident commanders during major emergencies. The detective conducts all major case criminal investigations, conducts pre-employment background investigations, all internal investigations and performs crime scene processing and traffic crash scene reconstruction. The Chief of Police participates in patrol, traffic enforcement and criminal investigation, assists at traffic accidents and major incidents and responds to emergency situations during his assigned shifts. The Chief, Sergeants and Detective also serve as a “Department Management Team” and conduct monthly planning meetings. Current Department duty assignments include:

## K-9 UNIT REPORT

### **Senior Patrol Officer Jason Laky and “FONZIE”**

The first Salisbury Township Police Department K-9 Unit was placed into service in May 2003. Several citizens, the Lehigh County District Attorney's Office and Salisbury Township provided funding for the purchase of the canine and related equipment. Zeus, a one and a half year old Shepard, was imported from Budapest, Hungary. Officer Laky and Zeus spent over a month in basic training at the Castle K-9 Academy in Mechanicsburg, Pa. before joining the patrol staff. The K-9 Unit has become a very important part of this Department. The unit was responsible for taking over \$40,000 worth of illegal drugs off the street. The use of our K-9 Unit has resulted in enhanced officer safety and a reduction in time spent conducting building and area searches. Zeus was extremely effective during deployments at large disturbances. The mere presence of our K-9 has prevented many problems and caused a reduction in disorderly behavior and violence. Officer Laky and Zeus also served as Police Department ambassadors during many public appearances throughout the years. Zeus was truly a valued member of this Department and an important asset to our community. Zeus retired from active duty in May 2010 and he spent the rest of his life with Jason Laky and his family. Zeus passed away in 2013. Zeus was replaced by Fonzie in the Fall of 2010. Fonzie has progressed through his training and has become a first-class tracker and drug detection dog. Officer Laky has spent many hours planning, developing and implementing the K-9 program. He has given up much of his personal life to provide loving care twenty-four hours a day for his K-9 partners. Officer Laky's dedication to Zeus, Fonzie and the Salisbury Township Police Department's K-9 program has been outstanding. Officer Laky is committed to spend the long days and countless hours required to keep our K-9 Unit prepared and ready to take on any challenge. Officer Laky is certified as a judge with the National Canine Association and has assisted with the certification process for K-9 teams throughout the Lehigh Valley and beyond for the past three years. Fonzie is eight years old and is now in his fifth year of service with the Township Police Department. He is certified as a Patrol/Narcotics dog by the National Police Canine Association and he continues to train and improve every month. Fonzie is also required to pass an annual certification test and he has always done well in all phases of the exam.

During 2014, Officer Laky and Fonzie responded to 48 calls for service in Salisbury Township and surrounding municipalities. The K-9 team also continued their community out-reach mission by providing several skill demonstrations at community events. The team also participated at several programs at South Mall and Lehigh Valley Hospital including a “coat drive” that provided warm winter wear for children in need. The K-9 team and other officers also participated in a toy collection program and delivered the toys to patients in the “Children's Hospital” pediatric unit at Lehigh at Lehigh Valley

Hospital (Cedar Crest) during Christmas week. Our Department was recently recognized by Lehigh Valley Health Network for this program.

The fourth annual “Salisbury Township Police Association’s K-9 Trials” Program was held in 2014 at Salisbury High School and over thirty law enforcement K-9 teams participated in the event. Over the past four years, the program has raised over \$16,000, provided funds to help the families of fallen officers and assisted with the purchase of ballistic vests for police canines in other area agencies. This fund raising event does not rely on taxpayer dollars. All costs (including insurance) are funded by Officer Laky and the Salisbury Township Police Officer’s Association. Officer Laky stated recently; “We are committed to continue the K-9 Trials fund raiser and the support of families of fallen officers”.

In August of 2014, Officer Laky attended the National Police Canine Association’s Annual Conference in San Antonio, Texas. Officer Laky commented; “This conference provided me with a great opportunity to attend valuable training and to network with K-9 trainers from across the United States. It was an incredible experience”.

## DEPARTMENT TRAFFIC SAFETY & ENFORCEMENT

In 2014, Salisbury Township Police Department officers, under the direction of Senior Patrol Officer Bryan Losagio (Traffic Safety Coordinator) conducted the following grant-funded traffic enforcement:

<u>Project/Grant</u>	<u>Grant Amount</u>	<u>Results</u>
Aggressive Driving Enforcement (PennDOT)	\$7,823.21	536 vehicle stops / 636 traffic citations
Buckle Up Pa. (PennDOT)	\$1,524.60	84 vehicle stops / 105 traffic citations
DUI Enforcement (PennDOT) (roving patrols & check points)	\$1,016.40	19 vehicle stops 10 DUI arrests / 6 traffic citations / 1 non-traffic arrest
Lehigh County Casino Grant*	\$12,076.31	369 vehicle stops / 380 traffic citations / 1 non-traffic arrest
<b>Totals</b>	<b>\$22,440.52</b>	<b>1,008 vehicle stops / 1,127 traffic citations / 9 DUI / 2 non-traffic</b>

\*The Lehigh County Casino Grant also provided funds to purchase eleven (11) mobile data terminals (**\$47,450.**) and eleven (11) vehicle video camera systems (**\$71,890.**). The total grant provided **\$130,305** for equipment and enforcement overtime.

Traffic enforcement grant funds are used to pay the overtime of off-duty patrol officers who are brought in to conduct dedicated traffic enforcement activity in designated areas of Salisbury Township. This system allows our Department to maintain an adequate patrol staff to answer emergency calls and calls for service while conducting traffic enforcement.

Officers worked a total of 126 assigned enforcement details in 2014 and all of the overtime costs were funded by grants.

Total traffic safety and enforcement grant funds increased from \$21,875.28 in 2012 to \$54,128.59 in 2013 and to **\$140,669.21 in 2014.**

Officer Losagio personally issued **2,037 traffic citations**, investigated 51 traffic crashes and conducted a total of ten (10) vehicle speed surveys in Township neighborhoods in 2014. Officer Losagio also processed 723 parking tickets issued at Lehigh Valley Hospital and issued 168 non-traffic citations for non-payment of parking tickets.

Grant funded traffic enforcement resulted in an increase of 55% of **traffic citations** from 2012 to 2013 (319 to 496) and an **increase of 127% from 2013 to 2014 (496 to 1,127).**

Officers assigned to zone patrol **made an additional 26 DUI arrests and issued an additional 2,846 traffic citations in 2014** (1,542 traffic citations in 2013). (71% of all traffic citations issued were written during routine zone patrol duties.

## FIRE INSPECTOR PROGRAM

The Salisbury Township Fire Inspection Program was a concept that has been discussed for years to improve the overall safety of responders and residents of Salisbury Township. In 2013 an ordinance was passed creating this program. Structured under the control of the Chief of Police and Township Fire Marshal the process began. Fire District 59 (Salisbury Township) was created with in the Office of State Fire Commissioner, PEMA, County of Lehigh, and Federal entities. This district was approved and began service shortly after the ordinance was passed. The Department's first staff consisted of one full time Chief, a Fire Marshal, and Deputy Fire marshal that have dual full time assignments in the police department. Half way through 2014 one lead firefighter\ inspector and three per diem firefighters\ inspectors were also hired to perform fire inspections, respond to emergency calls, supplement volunteer fire department manpower and provide fire prevention programs. The Department established its first headquarters in the Department of Public Safety Building with Police, EMA, and Fire District 59.

Coordination of services is a primary goal, and great effort has been made to organize, plan for, and mitigate hazards in Salisbury Township. Both volunteer fire departments help accomplish our goals to streamline services, and resources in Salisbury Township. Joint standard operating procedures have been started and coordinated response to emergency calls has been a success. Full operation occurred for approximately 6 months in 2014. Station 59 trained all inspectors on our goals and objectives, policies and expectations. Limited arrest powers were granted and enforcement of ordinance and codes started. 20 commercial inspections and pre-plans were completed and 50 emergency call responses answered in the first 6 months of service. \$2510.00 was collected from inspection fees in 2014. Countless meetings and community outreach support was given answering questions and investigating complaints from residents and business owners. Several grants were submitted for equipment, personal protective equipment, a vehicle, and additional staffing from multiple sources offered in the fire service. A joint training venture with Eastern Salisbury Fire Department saved the township budgetary funds by combining training programs for both entities and streamlined the process. Current and future goals are to continue to grow our program and assist both fire departments in their mission statements. We want to continue the consolidation of funding to assist in savings for the township in the budgetary process. Combined purchases have also been made to reduce redundancy and show a cost savings while performing essential fire safety assignments. A township wide map system was implemented and map books were issued to all departments in the township, including both fire stations, and several mutual aid districts that support our calls for service. Coordination with Salisbury Zoning has made great improvement during the permit and inspection process and the benefits continue to show. The Public Works Fire Brigade will be a focus for 2015, along with Emergency Management. Agency coordination with all vested departments will continue and improve the overall health, safety, and welfare of Salisbury Township.
