Petition To Vacate Township Rights To A Street Or Alley

SUBMISSION REQUIREMENTS:

The following information and materials must be submitted to the Department of Planning & Zoning with any street or alley vacation request, for the request to be considered for review by the Township:

1. Attached petition form signed by the majority (at least fifty One percent) of the adjoining property for the proposed street or alley to be vacated.
2. Required reimbursement deposit of \$500.00. This deposit is required to reimburse the Township for any and all fees incurred from the street or alley vacation request. An initial fee of \$100.00 will be automatically deducted from this amount for administrative and advertising charges. If review costs exceed this initial \$500.00 deposit, petitioner will be required to pay any and all additional costs for the vacation request. An additional \$500.00 may be required if easements are necessary. Before the Township will prepare and file the Report of the Board of Commissioners (the final step in vacating a street), an accounting will be made of the legal fees. If the initial reimbursement deposit is insufficient to cover these expended and anticipated final costs, an additional fee will be determined at that time and required. Once the Report is filed, and all legal costs are paid to the Township, the Township will then refund the remaining funds on deposit, if any.
3. **Eleven (11) copies** of a field survey, locating all existing improvements, features and property boundary information along the street or alley to be vacated, a vacation plan and survey description of the area to be vacated which must be prepared and sealed by a registered Professional Engineer or land surveyor.
4. A deed of easement, where required, shall be presented for all necessary utility and/or substitute easements. The deed of easement shall be granted to Salisbury Township and shall be drafted in a form which is acceptable to the Township Solicitor, then signed and notarized by each affected property owner, (or written consent to same must be submitted with the request). In addition a deed of easement must be provided before the first hearing on the Ordinance to vacate.

GENERAL INFORMATION:

- The Township will review all information submitted, and will prepare a Township Ordinance for the street or alley vacation. Two public hearings may be required to be held for the Ordinance's consideration and final adoption.
- Notices are sent to all adjoining property owners for the scheduled public hearing dates.
- Legal advertisements will be placed in local newspapers for public notification of the proposed street or alley vacation.
- Once the street vacation ordinance is adopted, all necessary utility easements will be recorded.
- A "Report of the Board of Commissioners" will be prepared and filed in the Road Docket file of the Lehigh County Clerk of Courts – Criminal Division Office, after all charges are satisfied and all necessary easements are provided and recorded.
- Any street or alley vacation request must be a "continuous request," in that a street or alley cannot be vacated in portions around properties whose owners may not agree to or participate in the request.
- **The Township will not be responsible for negotiating necessary easements from adjoining property owners. Petitioner must secure these easements or a written agreement verifying same and submit with the vacation request.**
