Dear Ms. Bonaskiewich:

In response to your letter of December 9, 2011, I wish to advise you that I have not been a party who has represented or provided professional services with the pension funds of the municipality. For the past calendar year my office has provided no professional pension services and has not received any payment for any kind of pension fund service.

I trust this is an adequate response to your letter of December 9, 2011.

Very truly yours,
