

SKYWARN

Spotter Training Class

Interested in the weather? Become a SKYWARN Spotter! This group of dedicated, volunteer weather enthusiasts work in conjunction with the National Weather Service by observing and reporting adverse weather conditions to promote public safety and minimize property damage.

Tuesday June 6th - 7:00 to 9:00 PM

**Joint Operations Center
4300 Broadway
Allentown, PA 18104**

Join us for an informative, 2-hour class that is free and open to the public.
