

UNOPENED ALLEYS RIGHTS & RESPONSIBILITIES

After 21 years, the Township has no ownership rights to unopened alleys.

Each lot owner, whose property abuts the alley, has rights to ingress and egress at all times

Structures are not permitted to be placed on any unopened alley.

The Township does not entertain any disputes between property owners abutting the unopened alley. These disputes are regarded as a private matter.

Each property owner is responsible for the maintenance of their half of the alley

A property owner may take ownership of their half of the alley by securing an Alley Vacation Application. This application may be downloaded from the Township website.
